Dogs may not be led by horseback or by any vehicle (e.g., golf cart, bicycle etc.). Dog owners failing to follow this rule will receive one warning. The second offense will carry a fine of \$50 per dog. The third offense will result in the owner being asked to leave the show grounds with their dogs. Show fees will not be refunded.

Weather and Lightning Policy: Operating under a "Rain or Shine" policy, the venue conducts competitions in most weather conditions and only suspends activities in cases of severe or dangerous weather. Due to the volume of daily classes and strict scheduling requirements, cancelled classes are not rescheduled. Safety remains the top priority; when dangerous weather occurs, classes are paused, and if safety cannot be guaranteed, they are cancelled. While events often continue during light rain, severe weather conditions, including lightning, will result in delays or cancellations to ensure the safety of all participants.

In accordance with common industry standards for equine events, activities will be suspended if lightning is detected within eight (8) miles of the venue OR immediately upon hearing thunder, regardless of distance. Outdoor activities, including mounting and warm-ups, will be suspended when a storm is in close proximity. In the event of anticipated lightning or thunderstorms, the Board will assess the potential risk to exhibitors. If it is determined that lightning poses a hazard, the show will be placed on hold and all participants will be asked to return to the barns or other designated safe areas. Competition may be suspended for up to one hour while conditions are monitored. After that time, the Board will re-evaluate the weather situation and determine the appropriate course of action, which may include resuming competition, extending the delay, or canceling the remainder of the show day if necessary.

Palm Beach County Hunter Association (PBCHA) will make every effort to complete divisions whenever possible. However, in the event of unexpected dangerous weather that prevents a division from being completed, riders who are unable to finish their classes will receive credit toward year-end qualification for that day of showing but will not accrue points for those unfinished classes. Only class fees will be refunded; all other fees will remain charged.

Golf Carts, Scooters, and other Vehicles: Only those with a valid driver's license may operate a motorized vehicle on the show grounds. If a minor has a permit, they may operate a motorized vehicle if an adult with a valid license is in the vehicle. No ponying of dogs or horses via golf cart is allowed.

Cars and trucks in the in-gate areas are restricted to the medic on call. All other vehicles must be parked in appropriately marked parking areas. All vehicles should be operated in a safe manner so as not to cause any distractions that might or could reasonably cause a horse to spook creating a dangerous situation to the horse and rider. Please drive slowly when entering the facility for the safety of all. Speeding will not be tolerated.

Cell phones and Headphones: The use of headphones while riding is prohibited. Cell phones may be used only if the rider has stopped the horse and is out of the way of other horse/vehicle traffic.

Quiet Zones: The areas around the rings where horses are warming up or competing are quiet zones. Riders, Trainers, and Spectators should refrain from causing any distractions that might, or could reasonably, cause a horse to spook creating a dangerous situation to the horse or rider. **NO umbrellas at or near arenas.** **Restricted Areas:** Riders on horseback, scooters, bicycles, and skateboards are not permitted on the concrete deck where the office and restrooms are located. Any distractions may be asked to move from this area for safety of horse or rider.

Protest of a Class: Any exhibitor lodging a protest of a class must first deposit \$25 in the show office along with a written complaint. The Board will meet and decide the outcome of the complaint. Their decision is final. The \$25 fee will be refunded if the complaint is upheld.
